Royal Ambassadors Update

New RA Advancement begins in the Fall

This fall will see the launch of a new Royal Ambassador Advancement Plan following several years of field surveys, focus groups, and task force initiatives. The new RA Advancement Plan and it should be simpler and less expensive than in the past..

Field-Service Training and National Webinar Dates Set

With several major changes coming this fall in Mission Education, the national Mission Education Team is anxious to assist you in training churches in each ministry area, but particularly Challengers and RA Advancement. Please contact [Joe Conway](#) to request assistance from the NAMB staff.
