

Babies WIN!

Pro-life legislation is becoming law despite Gov. Brad Henry's failure to sign SB 139. Under the Oklahoma Constitution, a bill approved by the Legislature automatically becomes law after five days if the governor declines to take action on it. SB 139 prohibits state funds and institutions from being used to perform abortions. SB 139 allows abortions to save a mother's life and in cases of rape or incest. The bill takes effect Nov. 1. Please contact your legislator and thank him or her if they voted for SB 139.
