

Map to Falls Creek

Falls Creek is 80 miles south of Oklahoma City. From I-35, take exit 51. After taking exit 51, you will come to a STOP sign on Highway 77. Cross straight over Highway 77 and go past the gas station on your right for one block until the next STOP sign. Continue straight across the road and go over the old bridge. You will head up the mountain and curve around several times for 3 or more miles until you come to the entrance gate.
