

Some GA leaders make it look so easy.

Their secret?

Games, pictures, posters, worksheets, and much more, ready to use each week.

Whether your group is playing a game, planning a ministry project, or praying for missionaries across the globe, the *Aware* Resource Kit and the *Aware* Picture Set add impact to any Girls in Action (GA) activity.

Each resource kit is filled with colorful and easy-to-use materials that supplement the weekly activities outlined in *Aware*, the magazine for leaders of both younger and older GAs. Items include game boards, maps, posters, cards, banners, and individual worksheets that can be easily duplicated for your entire group.

In short, you'll find everything you need to make meetings more fun for your GAs—and less work for you!

The picture set provides additional support for the units covered in *Aware*. Each set contains photographs of missionaries and their families "in action" and brings their world to life as only pictures can.

The *Aware* Resource Kit and the *Aware* Picture Set are invaluable for any GA leader, especially if your time, resources, or teaching experience is limited. Both are published quarterly and cover three full months.

So order now. You can begin your subscription at any time by contacting us at **1-800-968-7301** or **www.wmystore.com**. The *Aware* Resource Kit and the *Aware* Picture Set can be mailed to your church or to your home address. Please provide this code when you place your order: GMGAKITS.

Girls in Action® is a part of WMU®.
