

CrossTimbers Children's Mission Camp requires all adults and sponsors to complete a background check in order to stay with or be in the presence of the children on our campgrounds. Churches will have the responsibility to perform the background check on each sponsor/ worker before arriving at camp for registration. No adult will be allowed to stay or be with children unless they have this background check (This includes all day visitors).

Churches may already have a system for background checks established. Some churches are still working to create a system for screening workers. If you desire a resource for obtaining background checks, the BGCO has contracted with trak-1 to provide background checks for churches at only \$6.50 per person.

To obtain information on trac-1 for background checks go to www.bgco.org; click on Resources; click on Leadership Development; click on Background Checks. There you will find the PDF for trak-1 BGCO Service Agreement and addendum. Churches can apply to receive background checks for \$6.50 each. If you already have an agreement with trac-1, download the "Consent Form" at the same location on the website.

Some churches have up-to-date background checks on their leaders and teachers, so please submit those copies as proof at registration. All documents are handled with confidence and are not available for anyone outside the BGCO Children's Ministry Convention staff.

For assistance and other information, contact Mark Jones at mjones@bgco.org or 405-942-3800.
