RA Racer™ Kits

Each kit (REGULAR; PRECUT; STOCK CAR; Wedge) comes complete with one block of wood 7" long, 1 3/4" wide with axle slots already cut, four high impact plastic wheels, four 1" #13 escheon pin axles, and a set of racer numbers. For a head start, select from the wide variety of precut, stock car and wedge shape kits shown on the front of this form. Please write the quantity of each shape you are ordering in the box beside the shape desired. Also, if you want any of the cars to have the "hollowed out" (routed) bottoms, mark the box to the right of the quantity box. Routed Bottoms are an additional \$1.75 per kit ordered.
