Dear Mark:

I would like to submit the name of a Portland Avenue Baptist Church GA for completion of her Mission Ignition Challenge. Her name is Kayslee Decker and she is a 4th grader at Buchanan Elementary School. Below is a list of her completed projects:

- BRONZE:** Made Invitations to VBS for neighborhood kids which were distributed at our Neighborhood LUAU on Memorial Weekend.  
Went "Valentine" caroling to homebound members on Feb. 11, 2009.
- SILVER:** Visited with a lonely neighbor—several times over the past year.  
Made a large "Thank You" card for the school custodian in September 2008.
- GOLD:** Sent a drawing, note and a Bible to a Soldier in February 2009.  
Made "Valentine" placemats for Homebound & Nursing Home Church Members which were delivered by our Senior Adult Visitation Team in February 2009.

Additional ministry projects that Kayslee participated in include: Helped make and deliver "Easter" baskets to homebound members Good Friday 2008; Helped pack and deliver food baskets for Thanksgiving and Christmas 2008; Making a sock puppet to collect money in for the Lottie Moon Christmas offering, November 2008; Brought new socks to decorate the PABC Children's Ministry Christmas Tree for the Baptist Mission Center, December 2008; Helped deliver socks and gloves to the Baptist Mission Center, January 2009.

Kayslee is an outstanding GA who truly has a heart for sharing God's love with others. For Valentine's Day this year, she made her own valentines for her 4th grade class at school. I have attached a copy of her "evangelistic" valentine which includes her original poem.

Please let me know if you have any questions.  
We're looking forward to attending Mission Ignition 2009.

God Bless You,
