

*Building a lasting **LEGACY**  
brick by brick and stone by stone*

*"In the future when your descendants ask their fathers,  
"What do these stones mean?" tell them..."*  
— JOSHUA 4:21-24

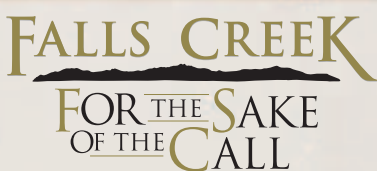

Stones have long been used to mark milestones in the lives of God's people. When the children of Israel crossed the Jordan River on dry ground, they set twelve stones as a reminder of the power of Almighty God. When Joshua told the people to "choose you this day who you will serve," a great stone was set as a witness to their decision to serve the Lord.

For a limited time, you too can use engraved stones to mark important life milestones or make a personal statement. Your inscribed 4" x 8" or 12" x 12" stone at Falls Creek will become a permanent part of the new 60,000 square foot Tabernacle Plaza. This sweeping plaza will be the site of informal gatherings, concerts, worship services and other special events and will be located between the new tabernacle, conference and training complex and the new 150-room lodge.

*Pay \$5 down per stone and the balance over 12 months.*
