

International Mission Study 2008

Venezuela

Political changes. Economic instability. Social unrest. These are some of the current issues confronting the people of Venezuela. But across this South American country, one thing remains constant: God's Spirit is at work. God is not only calling unreached people to

saving faith in Jesus Christ; He's also calling many Venezuelan believers to serve as missionaries at home and abroad. Learn how Southern Baptist missionaries and Venezuelan Baptists are joining hands to take the gospel to the ends of the earth.
