

## Exhibitor Advertiser information

The Oklahoma Youth Ministers Association, or **OKYMA** (pronounced o-ke-mä) meets four times a year. OKYMA is composed of youth pastors, ministers, and volunteer youth workers serving statewide. OKYMA meetings are a time of equipping and encouragement, as well as fun and fellowship.

We reserve the April OKYMA meeting as a resource fair, which is an opportunity for us to help connect youth ministers to ministries, services, and businesses that can enhance and strengthen their own ministry needs and vision.
